To Whom It May Concern,

I am pleased to offer a letter of recommendation for Kathy Short. I've had the pleasure of knowing Kathy for the past six years.

Kathy is a very bright and talented person. She is capable of successfully accomplishing any task before her. I am especially impressed with her patience and creativity. Kathy is very structured and organized. She's one who is willing to go the extra mile to get the job done right.

Kathy exhibits all the qualities that help children be winners in the classroom. She will also be a valuable team player when working with parents and staff. Kathy is going to be a wonderful asset to any school.

Sincerely,

Lynne Wasson
